Safe Kids is a worldwide network of organizations working to prevent unintentional childhood injury.

"Love you," I had said to my baby boy. "Love you," he said back from his bed as I closed the door to his bedroom for his afternoon nap. Later, I went to wake my baby from his nap as my husband came in from yard work. My husband heard a sound that was unrecognizable - my screams.

I had found my baby under his dresser.

Please secure your furniture.
